NEXT MEETING July 9th 2018

'Annual General Meeting & Cosmic Quest: From Babylon to the Big Bang'
Speaker: Prof. Nigel Henbest
(University of Leicester)

7 - 9 pm.
Cavendish Road Primary School,
Performing Arts Building

Reminder of Location

Meeting location: Cavendish Road Primary School in West Didsbury, Manchester M20 1JG.
Meeting

The Annual General Meeting by the Society Committee, and then follows Nigel's talk.

Welcome to our Sixth 2018 society talk.

The Committee will open the meeting with the AGM.

Nigel is an award-winning science populariser, specialising in astronomy and space. His 38 books and over 1000 articles have been translated into 27 languages, and he has produced over a dozen television documentaries and series.

Nigel will also have some books for sale (signed!), at really good prices. Such as:

- Story of Astronomy
- Stargazing 2018
- Astronomy Bible

Also, if you are attending the Lligwy Observing in September, we need to confirm numbers and deposits to secure the space.

Reminder of the venue for July 2018, is Cavendish Road Primary School West Didsbury. M20 1JG.
